To Delinquent Tax-Payers.

FELLOW-CITIZENS: We most carnestly call your attention to the necessity which exists for making some immediate arrangement for the settlement of your taxes.

which many of you are placed without any agency of your own, and our sympathies are all with you. We would not willingly increase the troubles which so many of you have to bear, and it is for this reason we row appeal to you to and it is for this reason we now appeal to you to come torward and make some arrangement to prevent a sale of your property. Your failure to do so can have no other effect than to increase the costs.

You will find the Collectors, acting under the orders of the Finance Committee, ready and anxious to make any settlement that will insure the payment of your dues to the city, and pre-vent the advertisement and sale of your property The payment of these cannot be avoided.— The law is imperative, and if not voluntarily settled by you, they must be settled by a tax

Some of this property is now in litigation in the Courts for sale and settlement of the rights of the parties, and some may be unrepresented. On all such cases being made known to us, an arrangement can probably be effected to prevent an advertisement and sale, with its attendant

Possibly, also, some of the tax bills in the hands of the Collectors may have been heretofore settled or improperly charged; in all such cases we invite the parties to appear before the Collectors or Finance Committee for examinaon and settlement.

With the earnest hope that you will come forward and settle your taxes, we have post-poned the sale which was to have taken place on the first of April to the second Wednesday in April, (the 10th.)
This will also delay until the 25th of March

CLOTHS AND CASSIMERES FOR THE We have now open a very large and carefully

selected stock of the above, and we would invite the particular attention of gentlemen who desire a choice line of goods to select from to call and Many of these were selected from the advanced

sample cards long before the goods were landed in this country, so that we might have the very best styles imported.

By purchasing early we have also avoided the advance in Foreign Woollens, which present the unusual feature of being as low, and in some instances even lower, than the same class of Domestic Goods. Some of them have advanced so much that the parties from whom purchased have been offered 25 per cent advance over what we paid for all they could get. We would name among the styles of Suitings for the season—

English Twilled Kerseys, Schnables Crepes, Tricot a-long, English Diagonals, Cheviot Suit-ings in great variety; a great variety of fancy styles Pants Patterns and Cashmere Vestings. Our Trimming Department has never been as well supplied as at this season.

As we have engaged first-class tailors to sew exclusively for us, and one of the most fashionable tailors in the city does our cutting, we are

prepared to have suits of all kinds-dress or business, gentlemen's or boys'—made and trimmed in the most fashionable style, guaranteed to fit and at unusually low rates for first-class work.

We hope all who want to make purchases in this line will call and examine our stock mh 12 WITMER & SLAYMAKER.

NATTANS' CRYSTAL DISCOVERY is the only article entirely harmless which restores gray hair to its natural color and youthful appearance.
NATTANS' CRYSTAL DISCOVERY

contains no poisonous substances, no sugar-oflead, sulphur or nitrate of silver.
NATTANS CRYSTAL DISCOVERY restores gray hair in from three to ten days in every instance. We warrant it. NATTANS' CRYSTAL DISCOVERY supplies the hair with new vitality, and hence stops its falling out.
NATTANS' CRYSTAL DISCOVERY

is perfectly cleanly; it does not soil the finger nails, the finest fabric or anything eise. Jewelry, which has been blackened by the various sulphur preparations, it not only does not dirty, but if applied will beautifully cleanse. Try it.

NATTANS CRYSTAL DISCOVERY makes dry and brash hair moist and glossy without, however, making it sticky, as other dirty articles of this kind do. Pomades and oils may be used, if desired, with this preparation, without impairing its usefulness.

NATTANS CRYSTAL DISCOVERY restores hair to its natural color in a few days.

NATTANS CRYSTAL DISCOVERY
has, in a number of instances, produced a new
growth of hair; though it is not claimed that it

wlli be successful in every case.

NATTANS CRYSTAL DISCOVERY is put up in large bottles, containing over half as much more as any other in the market, while its effects are more prompt and positive; therefore, it is certainly the most economical article in use. In short, there are a thousand reasons why you should use it in preference to any other-reasons which have induced the masses who use hair restorers to use it—and chief among which is the perfect safety with which you can apply it. Try it, if you have not done so already, and though you may have used something before, or for years even, yet we can assure you that after giv-ing CRYSTAL DISCOVERY a trial, you will gladly discard your previous favorite. If your druggist has not got it, take no other, for this is the

him to get it for you. Price one dollar.
